URBAN ANTH.

studies the many ways humans thrive in cities; what do they do? How do they do it? Why?

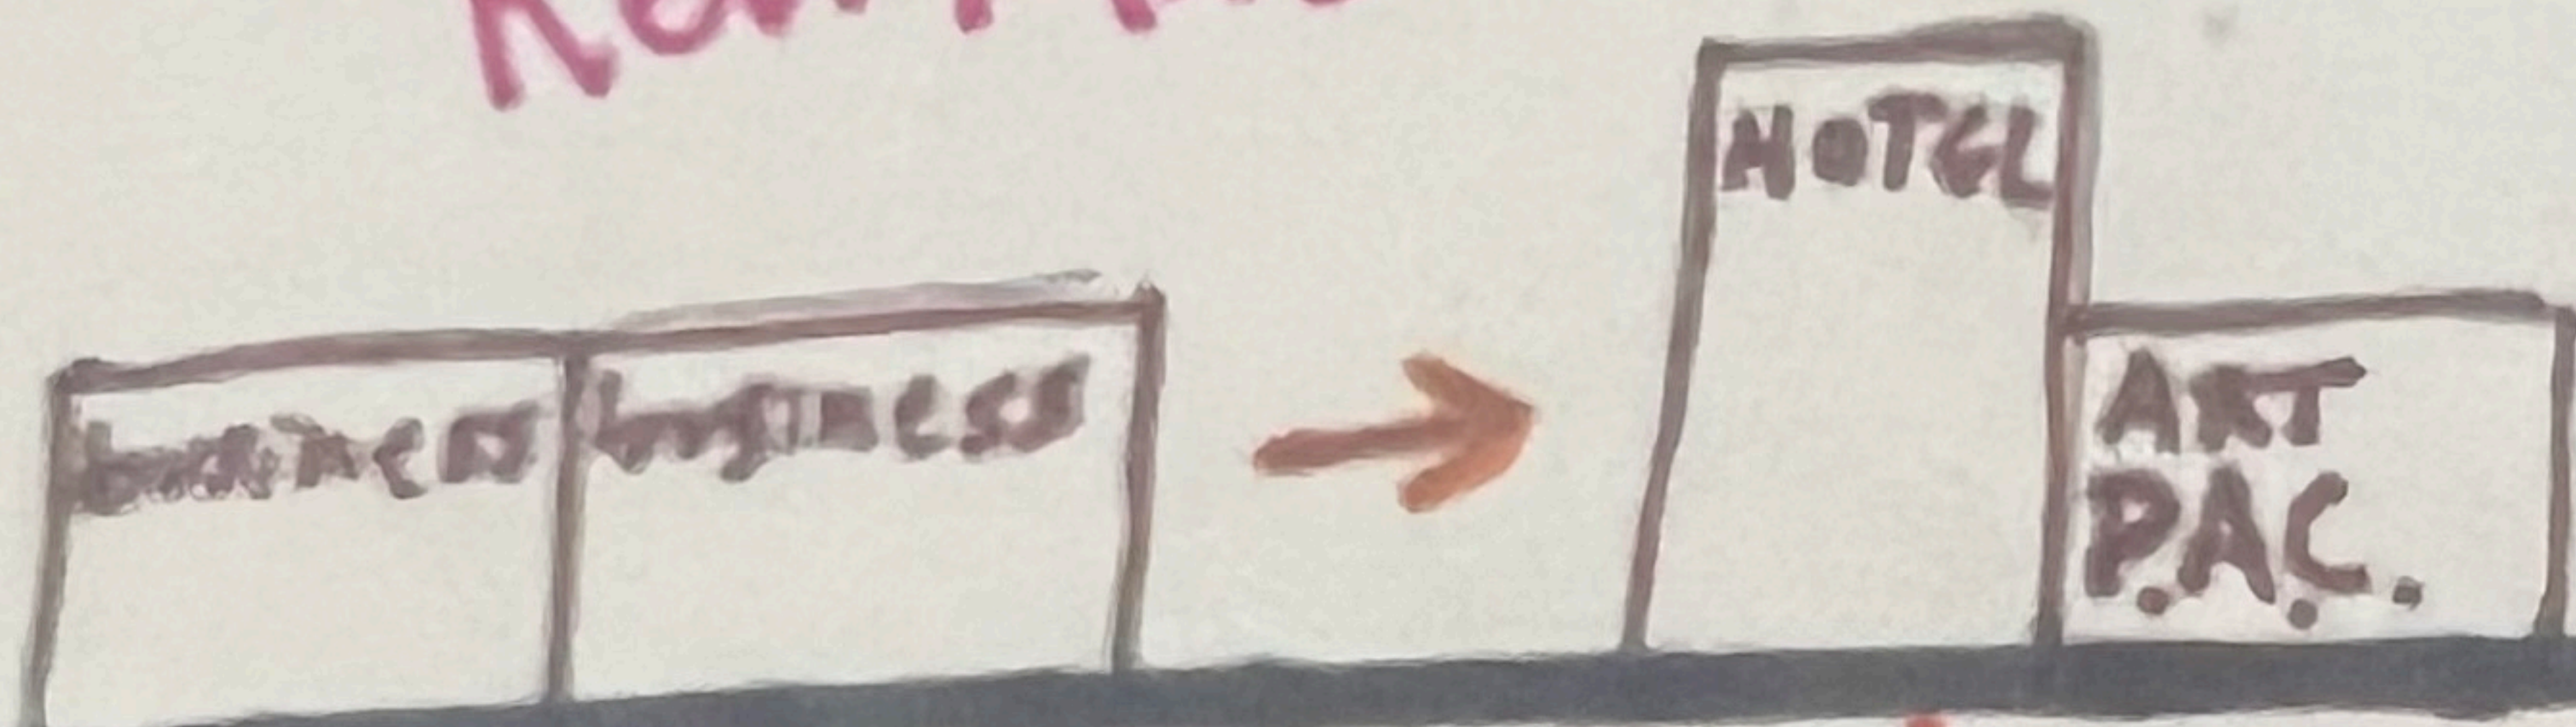

Business 

Relationships  

The Village

= Revitalization"

Anthropologically,
what does the
village ACTUALLY
need? Do the
plans match what
we think?

How will the new
businesses affect
the long time
residents?

just another
term for it?

WHAT is
Gentrification
and is the
revitalization

Will members
of the village
be forced to
change how
they live?
